

Event Donation Request

We contribute to the hobby community by donating gift cards to qualifying events throughout the United States. If you're looking for donations to make your RC event a success, we may be able to help.

You must be at least 18 years old to make a donation request. Use the form below to submit information about your request. The event must meet participant size requirements. Please also provide a flyer and/or an event webpage link you're using to promote your event.

Send us your donation request *at least six (6) weeks before your event* for consideration. Once your request is received, we will give it careful review.

Because of the volume of requests we receive, we cannot accept custom requests or guarantee a response. If your event meets our criteria and you have provided us with proper documentation, you will hear back from us a few weeks prior to your event.

Contact Information

First Name (required)

Last Name (required)

Shipping Address 1 (required)

Shipping Address 2

City/Municipality (required)
