STEP 3: DELIVER YOUR FORM AND COMPLETE THE REDEMPTION PROCESS

If you are making an eligible purchase in-store, print out this redemption form and bring it to a participating retailer along with your trade-in transmitter.

If you are making an eligible purchase on HorizonHobby.com, you must first purchase a qualifying transmitter or radio system, and then email your completed redemption form with the online order number of your qualifying purchase to Horizon Hobby Customer Service (customersupport@horizonhobby.com). The subject line of your email should read, "Spektrum Trade Up Redemption Form." Please allow 5 days for a reply that will include your RA number and instructions for the shipping of your trade-in transmitter. Only qualifying purchases on HorizonHobby.com will receive a valid RA number. Refer to the table in Step 1 of the Transmitter Trade Up Redemption Form for a list of qualifying purchases. Trade-ins without an RA number will not be accepted. When a customer service representative has accepted your trade-in transmitter, they will issue a credit to the method of payment you used to purchase the qualifying transmitter. Horizon Hobby LLC is not responsible for shipping costs associated with shipping trade-in transmitters to Horizon Hobby.

Terms and Conditions:

To receive the trade-in discount in-store, you must purchase a new qualifying transmitter from a participating retailer. The trade-in transmitter must be surrendered at time of purchase. The trade-in transmitter does not have to be in working order to be eligible, but acceptance of a trade-in transmitter is at the sole discretion of the participating retailer and may be denied for any reason. Trade-in cannot be redeemed for cash. Trade-in discount will apply to subtotal at checkout. For discounts, refer to Step 1 of the Trade Up Redemption Form. One trade-in transmitter allowed per purchase.

To receive the trade-in discount online, you must first purchase a new qualifying transmitter from HorizonHobby.com by 11:59 PM CST, December 31, 2018 and submit your Trade Up Redemption Form via email with the order number of your qualifying purchase to customer service within 24 hours. An RA number and further instruction will be sent to you in response. A credit will be applied to the method of payment used for the qualifying purchase on HorizonHobby.com. To determine the credit that will be applied to your method of payment, refer to Step 1 of the Transmitter Trade Up Redemption Form. Participation in the online trade-in program is restricted to US residents only. Acceptance of trade-in is at the sole discretion of Horizon Hobby Customer Service and may be denied for any reason. Horizon Hobby reserves the right to change the program end date and may cancel this program at any time.

Horizon Hobby LLC is not responsible for costs associated with shipping trade-in transmitters to Horizon Hobby. Only qualifying online purchases will receive a valid RA number. Trade-in transmitters received without an RA number will not be accepted. Offer through horizonhobby.com is only available to U.S. residents. Trade Up purchases in Canada must be made at a participating Horizon Hobby retailer.

Instructions for Authorized Horizon Hobby Retailers:

If you have any questions about participation in this program, refer to the Fast Serve® website, contact your Horizon Hobby account manager or email Horizon Hobby Customer Service at customersupport@horizonhobby.com.
